Wholesale Terms

Ordering

Orders can be placed by phone, email, or submitting via whipdminerals.ca/order.

Minimum Order Quantity

To accommodate smaller retailers and ensure the products stay fresh, we do not have a MOQ requirement. Please note, our products are packaged by the case (8pcs), and arrangements to break cases are made on a case-by-case basis. (pun intended)

Turnaround Times

We strive to have all orders in-transit within 2-4 business days of being placed. Occasional delays may happen, in which case you will be notified in advance. For particularly large wholesale orders, please allow up to 30 days for delivery.

Changes / Cancellations

Once orders are placed, any changes or cancellations must be submitted within 24 hours or before actual shipping, whichever comes first.

Shipping

We offer a flat rate \$10 shipping option for all standard orders in Canada and USA via UPS or Canada Post. For orders larger than one master pack, please contact us for a custom freight quote. All orders are FOB Origin.

Payment Methods / Terms

Orders require payment in full prior to shipping. We accept Debit, Credit Card (Visa, MasterCard, AmEx, and Discover), or Business Cheque. Orders prepaid by check will only ship once the check is cleared. No additional processing fees apply. Terms will be considered on a case-by-case basis.

Damages / Returns

We accept authorized returns due to manufacturing defects, damages, or shipping errors within 5 business days of receipt of goods, for replacement or credit to your account.

Retail Pricing

To ensure that all of our retailers can more effectively sell our products, continue to support our brand as a premium offering, and avoid intra-brand channel conflict, we ask that retailers advertise our products at our MSRP, unless arrangements for a temporary price reduction are agreed upon. Although retailers remain free to establish their own resale prices, we reserve the right to cancel all orders and indefinitely refuse to accept any new orders from any retailers that we have determined to be repeatedly advertising any of our products at a net retail sales price less than has been agreed in writing.

Product display fixtures

Wooden product display fixtures are available for retailers to use free of charge. A deposit of \$60 is required, which will be credited back to the retailer at a rate of \$20 per subsequent order.
